A Time For Giving

Christmas is a joyous occasion for most people, but how much more reason we AAs have to be grateful and happy! We, who formerly celebrated these holidays in a much different fashion, generally came out of the fog shortly after New Year's, broke, sick and remorseful. Now that AA has given us a new way of life, we can only express our gratitude by helping to carry the message to the millions who don't yet know.

Our co-founder, the late Dr. Bob, in his last public address said: "Our 12 Steps when simmered down to the last, resolve themselves into just two words, love and service." What more appropriate time and manner could we find to express our love and be of service than by contributing to General Service Headquarters now?

Only in this way can we take part in the collective 12th Step work being carried on throughout the world.

It has been suggested that each group contribute at the rate of \$ 2.00 per member per year, yet upon consulting the Secretary's Handbook and Directory where all group contributions are listed, we find that many groups contribute nothing. This book, along with the monthly bulletins and many other services, are gladly furnished to all groups by General Service Headquarters.

Although some groups may not be able to contribute the suggested amount, they probably could contribute something.

How wonderful it would be if all groups would express their gratitude by making a small contribution to help carry the message to those who need it as badly as we once did!

As a well known AA clergyman says: "What we give away we keep, for it is in the giving that we receive; what we keep to ourselves, we lose, for in the keeping we cannot reproduce and when we die we take with us only that which we have given away."
