## **Step 5: Admitted to God, to ourselves, and to another human being the exact nature of our k fcb[ g"**

I had done a 4th step, and prayed on it that my higher power would put someone in my life to do the 5th (since this was not the first 5th step I had done). This friend of mine was visiting from Hawaii, and I bumped into him on the way to college. I invited him for dinner, asking him to do the 5th step with me. Since my apartment in Brooklyn was quite cold and it was Christmas Eve, we kept our coats on while doing the 5th step. All of a sudden this beautiful warm light started to glow making us take off our jackets. I know by my taking the 5th step that there was not just the two of us, there was three with the higher power being present.

**Tradition 5: Each Group has but one primary purpose— to carry its message to the alcoholic who still suffers.**

*Each member of  
Alcoholics  
Anonymous is  
but a small part  
of a GREAT  
whole. AA must  
continue to live  
or most of us will  
surely die.  
Hence our com-  
mon welfare  
comes first but  
individual wel-  
fare follows  
close Afterwards*
